Forecast for Monday 06 Nov 2023

Weather: A few light showers across ranges west of the A9. Otherwise a lot of dry and bright weather through daylight hours. Thickening cloud will bring rain across the far southwest of the area in the evening. Any wintriness will be confined to the very highest tops.

Chance of cloud-free hill tops above 800m: 70%

Low cloud and visibility: Very good visibility outside of cloud. Patchy cloud between 700 and 900 metres, this most extensive west of the A9. Low cloud will become more extensive across Rannoch Moor and around Ben Alder after dark.
